Meritcare Clinic

Meritcare Clinic's mission is to improve the health and quality of life of the people it serves. It reaches out and identifies community needs beyond basic health care and then responds aiming for a positive, life-enhancing difference. Call 701-845-6000, or visit www.meritcare.com/jobs

My husband and I moved to Valley City from Bismarck, ND to work for Eagle Creek Software. This has been an excellent opportunity for both of us to advance our careers. We've also found opportunities outside of work - a 24 hour gym to work out at, my husband plays in a basketball league in the winter, and I play in a softball league in the summer. Moving to Valley City has been an adjustment, but it has definitely been worth it!

Toni Mocko, Eagle Creek Software

Innovis Health, Valley City

Innovis Health is the newest building in the Innovis Health System. The new location opened its doors June 26, 2006. Innovis is called to make a healthy difference in people's lives by providing exceptional and innovative healthcare through physician-led partnerships with our patients, coworkers, and communities.
